Teach Your Children - Crosby, Stills, Nash And Young

A **D**
You, who are on the road,
A **E**
Must have a code, that you can live by.
A **D**
And so, become yourself,
A **E**
Because the past, is just a good bye.

A
Teach your children well,
A
Their fathers hell, did slowly
A **D**
And feed, them on your dreams
A **E**
Their fathers hell will slowly go by
A **D**
And feed them on your dreams
A **E**
The one they picks, the one you'll know by

A **D**
Don't you ever ask them why,
A
If they told you, you would cry,
F
So just look at them and sigh,
A
And know they love you.

And you, of tender years,
Can't know the fears, that your elders grew by
And so please help them with your youth,
They seek the truth, before they can die,

Teach, your parents well,
Their children's hell, will slowly go by.
And feed, them on your dreams,
The one they picks, the one you'll know by.
Don't you ever ask them why,
If they told you, you would cry,
So just look at them and sigh,
And know they love you.
