[Verse]

**Em** I can tell by your eyes that you've probably been crying forever, **A** **D**  
**Em** and the stars in the sky don't mean nothing to you, they're a mirror. **A** **D**

[Chorus]

**G** I don't want to talk about it, how you broke my heart. **A** **D** **Bm**  
**G** If stay here just a little bit longer, **A** **G**  
if stay here, won't you listen to my heart, whoa, heart? **A** **Em** **A** **D**

[Verse]

**Em** If I stand all alone, will the shadow hide the color of my heart; **A** **D**  
blue for the tears, black for the night fears, the stars in the sky **Em**  
don't mean nothing to you, they're a mirror **A** **D**

[Chorus]

I don't want to talk about it, how you broke my heart.  
If stay here just a little bit longer,  
if stay here, won't you listen to my heart, whoa, heart?
